

# IPERKUBIK

Pepe Tanzi

Struttura in tondino di acciaio realizzata con piegatura robotizzata e finitura cromata lucida. Pianale portante in legno di betulla compensato multistrato di mm. 9, finitura superficiale naturale. Ancoraggio dei cuscini con nastro polimerico a strappo per le sedute, con volantino d'avviamento manuali per i braccioli e gli schienali, di facile intercambiabilità e sfoderabilità: singolarmente, imbottitura in poliuretano a quote differenziate, ad alta resilienza, fasciato con falda di fibra acrilica.

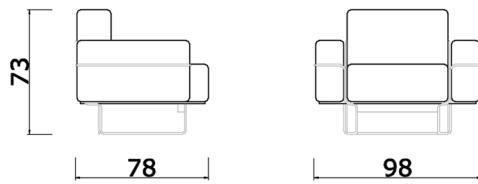

Frame in round steel carried out with robotized bending. Chromium-plated finishing.

Bearing panel in multilayer birch plywood of 9 mm, natural finishing. The seat cushions are fixed by means of polymeric band (Velcro). Manual knobs block the arms and the backs. Every cushion is easily interchangeable and removable. Upholstering in expanded polyurethan with differentiated thickness (high resilience); acrylic fibre wrapping.
