Orlandini design

Struttura portante con pianali in legno multistrati di pioppo, la seduta molleggia su cinghie elastiche. Imbottitura della base e degli schienali in morbida schiuma poliuretanicca ad alta resilienza, realizzata con quote differenziate e fasciata con falda acrilica; intelaiatura di metallo all'interno degli schienali per l'innesto e il bloccaggio alla seduta. L'imbottitura dei cuscini volanti che compongono il prodotto è realizzata in piuma d'oca. I rivestimenti sono completamente sfoderabili.

Structure supporting base in poplar multilayer panel, the seat springs on elastic belts. Upholstery of base and backrests in soft high resilience polyurethane foam with different thickness and wrapped with acrylic fibre; metallic frames inside the backrests for inserting and locking to the sitting. Loose cushions composing the product are in goose down. Covers are fully removable.
